Mediterranean food from one source
- t h i s i s G E R M A N Y S A L E S !

In the segment of the ethnical food GERMANYSALES is one of the most important manufacturer and marketer of mediterranean products in Germany.

The constantly rising popularity of mediterranean specialities in Germany essentially justifies the market success of GERMANYSALES.

Highest demands on the quality of the products, many years of experience, absolute market-orientation and production places in Greece and in other countries made GERMANYSALES a specialist for ethnic food products. GERMANYSALES is also dynamically present in Private Labeling. Major International Chains entrust their labels due to the strict quality control systems, the optimal hygiene and product consistency.

GERMANYSALES supplies chains, like discount shops, supermarket stores and cash & carry.

It is worth mentioning that GERMANYSALES is of one the largest Feta- and Manouri- cheese importers in Germany.

ARI-traditional greek food
in premium quality

Greek tradition, taste, and a constantly high standard of quality are features inherent in the premium brand ARI.

For over 20 years cheese and other dairy products are manufactured under the ARI brand for the German consumers. GERMANYSALES gives the consumers the guaranty for the uncompromising premium quality of its products through careful selection of the best ingredients, the most advanced technology- and hygiene standards.

The total assortment of typical greek products is offered from one hand. It is at any time expandable and very flexible to any customer demands.
